Nationwide Boiler Inc. has an immediate employment opportunity for a Painter I for the cleaning, sandblasting, and painting of boilers and related equipment at Nationwide Boiler's 25,000 sq. ft. fabrication facility, located in Fremont, CA.

Major Duties & Responsibilities

- Sandblasting, steam cleaning, masking, and cleaning of parts and equipment, in preparation for painting.
- Painting and epoxy coating application.
- Maintaining all paint shop associated equipment.
- Cleaning of shop and basic shop errands.
- Maintaining personal respirators and safety equipment.
- Projects may include boilers, trailers, containers, skid-mounted equipment and other industrial structures.
- Performs other related duties assigned.

General Knowledge & Skills

- Equipment painting techniques.
- General understanding of safety practices and procedures.
- Skills necessary in sandblasting, coating application and other restoration work on steel surfaces using brushes, rollers, and spray guns.

Equipment Operated

- Basic understanding and ability to properly utilize hand and power tools. This includes, but is not limited to, spray guns, sandblasters, steam cleaners, cranes, and forklifts.

Preferred Requirements

- High school diploma or equivalent.
- Minimum one year experience in a production or manufacturing environment containing industrial coating and abrasive blasting.
- Willingness to work variable shifts with overtime based on workload.

This position reports to our Senior Painter and is located in Fremont, CA.
