**NATIONWIDE BOILER MAKES MONETARY DONATION TO
MAKE-A-WISH® GREATER BAY AREA IN LIEU OF
POSTPONED ANNUAL CHARITY GOLF TOURNAMENT**

Fremont, California, July 17, 2020.....Two months after Nationwide Boiler’s originally scheduled 40th Annual Charity Golf Tournament, the company has announced that they will be making a monetary donation to Make-A-Wish® Greater Bay Area. For 39 years Nationwide Boiler has coordinated and hosted this fundraiser to give back to charitable organizations, and this year the company was forced to postpone the event due to the COVID-19 pandemic. Nationwide Boiler has made the financial decision to present an outright donation of \$10,000 to one of the two organizations that would typically benefit from the event. In addition, three companies who had already committed to a sponsorship, Alzeta, GT Wilkinson and DJ Conley, chose to allocate their donation to the overall total, bringing the final endowment to \$12,000.

“As a company, we are fortunate enough to be able to continue to give back in an unprecedented time like this,” stated Larry Day, President & CEO of Nationwide Boiler Inc. “Non-profits are really hurting as a result of the pandemic, with many annual fundraisers being cancelled or postponed. Furthermore, Make-A-Wish® Greater Bay Area has had the painful task of communicating to families that more than 80 wishes are on hold until it is safe to grant them. We feel it’s only right to continue our support of organizations like these, as long as we have the resources to do so.”
